Clarity Systems Integration

Catering to every need, big or small.

No two hospitality businesses are the same. On that principle, we provide specialised product integration to suit your needs.

It's like ordering the sides you want with your main course. Or you can have just the sides if you like...

What we can integrate

- Accounting, including Trust Accounting
- Building Management systems
- Clarity Central Manager and Clarity Central Reservations
- Clarity Event and Conference Manager
- Clarity PBX Manager
- Cloud Backup
- CRM – data export and data exchange
- Data Dashboards
- Door Lock systems
- EFTPOS
- Email - including automated booking confirmations and follow ups
- Exports – XML and Data Feeds

- Guest Internet services
- HTML Stationery
- Loyalty Programmes
- Mini bars
- Movies and Pay TV
- Multiple Properties using Clarity Hotel Manager
- Online Travel Agents
- Point of Sale
- Postcode Lookup
- Registration Cards
- Spa Booking Systems
- XML API and Modules
- Anything else you need - we can do it
